Dear Ehud,

Thank you for the insightful discussion, which I found most stimulating.

I had earlier passed on the information about Reporty's 9-11 app to my colleagues from the Ministry of Home Affairs. They have arranged to meet Reporty with our Police and Civil Defence colleagues at the end of this week to find out more about the app.

In case helpful, the email contacts are:
Mr Ng Yeow Boon (Senior Director, Ops-Tech Group, Ministry of Home Affairs):
ng_yeow_boon@mha.gov.sg
Mr Anthony Ng (Director, Ops-Tech Group, Ministry of Home Affairs):
Anthony_KH_NG@mha.gov.sg
Mr Anwar Abdullah (Director, Operations, Singapore Civil Defence Force):
Anwar_ABDULLAH@scdf.gov.sg

Wishing you and your family good health and happiness.

Yours sincerely,
Teo Chee Hean

Dear Teo

I would like to thank you for finding the time to meet with me in such a short notice and for the opportunity to exchange notes on world affairs and homeland security challenges.
I always find our exchanges informing, thoughtful and enriching.
I hold precious our friendship and will be glad to meet again in the future.
Following on our discussion of Reporty, the "911-Instagram " application I will appreciate it if you can put me or the CEO of Reporty in touch with Comr. Eric Yap as well as Mr. NG Yeow Boon at the Ministry. We are moving fast forward with the pilots in Israel and with the completion of 1st generation R&D.

Thanks again.
Best

Ehud Barak
Former Prime Minister and
Minister of Defense of Israel.
